School Photos

Dear Parents/carers

The photographer will be coming into school on Wednesday 14th October 2020 to take individual and school - sibling photos.

We would like to assure you that we have worked with the photographer to ensure that social distancing, class bubbles, sanitising and cleaning will take place for the safety of all children and adults involved.

There are minor changes to the photo shoot this year as follows

- ✓ Individual photos will be taken first
- ✓ Staff will ensure social distancing when lining up the children, 1 class bubble in the hall at any time.
- ✓ There will be a one way system when the photos are taken, in and out of the photo area
- ✓ The children will stand for their photo, rather than using seating
- ✓ School sibling photos will be taken after all classes have had individual photos

Photo ordering now offers an online process using a bar code system. The photographer will provide individual bar codes assigned to the children. Children will bring this home, providing you with the opportunity to register online. If you register online, you will receive an email advising you when the proofs are ready to view. Once you have made your selection and placed your order you will be able to pay online. Colorfoto will also send photo samples in envelopes as in previous years if you prefer not to register on line. All orders will be delivered to the school for you to collect.

Please ensure your child wears PE uniform if they have PE on 14th October. If you would prefer your child to wear a polo and sweatshirt, please ensure they bring this to school.

If you have any questions please contact the school office.

Yours sincerely

Alan Walters
Headteacher
